No worries, it's hard when you're in the field. I set up a meeting for Monday at 10:30.

Timing for me today: I'm available from 12:30 to 2:30 and 4:30 to 6. Not sure if that time works with the folks in the field.
Tomorrow, from about 10:30 to noon available, my afternoon is pretty full tomorrow and I have a dental appointment in the morning.

No promises on the time. Depends on our FS Work at the time. Heading to Big Springs Campground to check if they closed their pits. This one is on the AOC.

Noon is ok with me, if somebody can set up a call in number? I'm not in the office today, working at home.
Hillary, can you do that?

Can we have a call later today to follow up. Too much to discuss via email? Maybe around noon and depending on cell coverage out here.
